Thursday I have two cases in Holyoke District Court scheduled. I'm not sure of the likelihood of them going, but we are normally done there by noon, so the afternoon should be fine. As for Friday, I don't have court scheduled, but the State Police are visiting the lab at 1pm regarding the takeover and they are hoping to meet all of the chemists at that time.

Hi Sonja,

I know this is last minute, but this is Hampden County. This case got called in today for trial tomorrow. The good news is I am about 90% certain it will be a plea. However, on the off chance it falls through I may need you to testify on Thursday or Friday of this week. Please let me know how your schedule looks these days?

Thanks - Matt
